Dear David,

Thank you for taking my phone call this afternoon.

As discussed please find enclosed the Road Safety Audit and Designer's Response Report prepared in response to the WSCC Highways comments. Please could you forward a copy of the report to the Highways Officer as agreed, for their consideration and confirm timescales for when you expect to receive their response?
Please could you also seek a copy of the Greencore Infrastructure Plan? As our Transport Consultants are still awaiting a copy of the plan. As discussed we understand that we are required to ensure our proposed access complies with the Greencore Infrastructure Plan. We would welcome confirmation of this and clarification as to how the Greencore Infrastructure Plan is progressing.

Please also find enclosed legal opinion which we have obtained from Andrew Parkinson at Landmark Chambers in response to the Council's request to seek S.106 contributions. This was issued to Andrew on 24/08/2017 but we have not yet received a response. As discussed I note that you will review this in Andrew's absence.

I look forward to hearing from you shortly.

Kind regards

Brittany
