Dear Anita,

Apologies for the delay, I can confirm that we agree to the extension and we are looking into the LAP request. I hope to be able to come back to you mid next week on this. Please could you advise of the re-consultation deadline for receiving comments on the submitted information?

Also we are still awaiting a response from the Council's Solicitor regarding the S.106, please can you provide an update on when we can expect to receive this?

Kind regards
Brittany
