Dear Anita,

Further to comments made by the Greenspace Officer, please find enclosed the updated site plan which incorporates the LAP as requested.

Please can you advise of the dates for re-consultation and advise as to whether the application requires re-advertising.

We also await your comments on the S.106 contributions, please can you advise when these will be received?

Kind regards
Brittany

Apologies, please find documents attached, do let me know if you require anything further. I note that consultation generally runs for 2 weeks, but it would be appreciated if you could seek earlier comments from WSCC if possible.

I wait to hear from you regarding re-advertising, but we consider the changes are not such that this should be necessary and we trust that you would agree with this.

Thank you for the update, I look forward to hearing from you regarding contributions.

Kind regards
Brittany

Dear Brittany,

I haven't re-consulted highways yet because I am awaiting receipt of the revised plans in a different format as per my request to you in my e-mail dated 03-10-2017. Once revised plans are scanned the consultees are re-consulted and generally reply within 2 weeks. At this stage I am not certain if the application will require re-advertising, it is unlikely but I will need to check when the amended plans are received.

I will respond shortly regarding the education contributions.

Regards

Anita Gardner

Dear Anita,

Apologies for the delay, I can confirm that we agree to the extension and we are looking into the LAP request. I hope to be able to come back to you mid next week on this. Please could you advise of the re-consultation deadline for receiving comments on the submitted information?

Also we are still awaiting a response from the Council's Solicitor regarding the S.106, please can you provide an update on when we can expect to receive this?

Kind regards
Brittany
