Town & County Planning Act 1960 (as amended)
Town and Country Planning (Development Management) Procedures (England) Code
1992. Paragraph 15. Criteria for applications for planning permits on

[illegible][illegible][illegible]

1. The following information was obtained from the records of the Department of the Interior, Bureau of Land Management, regarding the status of the land owned by the United States in the State of California, as of January 1, 1960:

Small business is a leading provider of the economic development in the United States. Small business is the backbone of the economy, and it is the source of most of the new jobs created in the United States. Small business is the engine of innovation, and it is the source of most of the new products and services that we use in our daily lives. Small business is the heart of the economy, and it is the source of most of the wealth that we create in our country.
