Dear Mrs Wallis,

I am the case officer dealing with your application.

I have today received the comments of the Conservation Officer. Whilst, there is no objection in principle to the provision of a door, instead of a window, the proposed design and UPVC materials would not be supported. I am therefore seeking revised plans deleting reference to upvc from the submitted floor plans and the inclusion of a reference on the elevation plan to final design and materials to be approved by the Local Planning Authority. It is likely any approval would then be subject to a condition to agree to the final design and materials. I would also request your agreement to an extension of time of 2 weeks until 06-09-2017 to allow time for receipt and substitution of revised plans.

Regards

Anita Gardner
