

18th September 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use from trophy/medal shop (A1 shops) to hot food takeaway (A5 Hot Food Takeaway), shopfront amendments, installation of extract outlets on north & west elevations, installation of condenser unit on west elevation & installation of roof-mounted extract flue & fresh air intake pipe.

5 Arundel Road Littlehampton

Thank you for your internet representation made on 17th September 2019 which has been recorded as '**an objection**' with the comments as follows:

As of today 17th September 2019 the application is still Undecided.

Despite numerous objection of residents in the vicinity with very clear theme where main objection is increased noise, smell, parking and disturbance.

Gas works has started for 5 Arundel Road. It is a fact that new gas pipes will be installed. This is another disturbance caused to the residents, already causing traffic delays. This looks like all objections are simply ignored and plans go ahead. Any explanation to the public who paid for the gas works and who has granted the permission?

Arundel Road is not suitable for Take Aways as its increases risk to the public by heavy traffic (people were already hit by cars). Small car park will be used much more and will increase risk and delays.

Applicants should consider High Street instead.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.
