**Subject:** RE: LU/164/20/PO - Hampton Park

Hi Michael,

I have no objection to the proposed amendments relating to the affordable housing dwellings. My only comment relates to whether we wish to cut out the below paragraph given previous discussions relating to the affordable housing requirements being met on *each* individual phase?

*· any shortfall or overprovision of a particular size or type of housing in one phase will be compensated for in future phases to ensure that the scheme as a whole accords with the percentages in the table above."*

Arjan
