Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/168/21/HH
Site Address: 12 Reef Close Littlehampton BN17 6QG
Description of works: Two storey side extension and single storey side extension with alterations to fenestration and demolition of attached garage

Thank you for your internet representation made on 7th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37147

This planning application should be rejected. The two storey side extension of this application would have a negative impact on the local area and residents.

This extension would act as a barrier, obstructing and virtually blocking views out to sea from various properties in Reef Close, Norfolk Gardens and Fairlead. Such action would have a negative affect on the residents living in the area as well as having a negative effect on property prices. Properties in the area are marketed as having views out to sea which adds to their appeal and value.

Approval of this application would also act as a precedent to any future applications, potentially paving the way for more construction of this dimension and so compounding the negative impact on the area.

I believe a recent application to install further beach huts along the promenade was rejected because of this issue of blocking views out to sea.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
