Dear Mr Roberts,

This application expired whilst I was on annual leave and was further delayed due to Development Control Committee on my return. This is on my list of applications that a recommendation report is required. I would be grateful if you would agree an extension of time for determination until the 5th September 2017. I will seek to complete my recommendation report by the end of this week but am aware that my team leader is on annual leave tomorrow and Monday.

I apologise for the delay but please do not hesitate to contact me should you have any further questions regarding this application.

Yours Sincerely,
David Easton
