Dear Mr Gosden,

Please see attached the environmental health officer's comments. I note from the application form that you are proposing operating hours 24 hours a day 7 days a week. I am writing to you to see whether the existing business does actually operate on this basis or whether there are reduced hours, particularly on a Sunday when business operations do not take place. It is likely that the application will be considered within the next week and accordingly I would appreciate your agreement to an extension of time until 02-10-2019. Please can you respond as soon as possible?
