POLICY COMMENTARY

The Development Plan consists of the Arun Local Plan 2011 - 2031, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that no significantly harmful impact upon the character of the host dwelling, nor the area has been identified, nor is the proposal considered to result in any loss of residential amenities within the locality.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

PRINCIPLE

The application site is located within the built up area boundary, where the principle of development is acceptable subject to accordance with the relevant development plan policies, as stated in SD SP2 of the Arun Local Plan. In this case, the key policies are deemed to be D DM1 and D DM4 of the Arun Local Plan and Policies 1 & 2 of the Littlehampton Town Council neighbourhood plan.

Policy SD SP2 of the Arun Local Plan states that development should be focused within the Built Up Area Boundary, and will be permitted subject to consideration against other policies in the Local Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 1 of the Littlehampton Neighbourhood Development Plan states that permission should be granted where applications accord with the relevant policies in the Neighbourhood Plan. It goes on to set out circumstances where an applications conflict with Policy 1 would be acceptable.

Policy 2 of the Littlehampton Neighbourhood Development Plan seeks to focus development within the built up area boundary.

DESIGN AND VISUAL AMENITY

The proposed development is a replacement of existing windows, with a door, and side windows of the a similar design and colour. It is therefore not considered to result in any significant change in appearance of the host building. Resultantly, the proposed development is not considered to have any significantly harmful impact upon the character, or spatial pattern of the area.

Resultantly, the proposed development is considered to be in accordance with D DM1, HER DM3 and D DM4 of the Arun Local Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development does not introduce any additional windows or openings to the building, and is not considered to result in any change that may result in overlooking, or loss of privacy to adjacent occupiers.

Therefore, the proposed development is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun

District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.
