Dear Planning,

I have considered the above application relating to condition 9 imposed under ref LU/330/18/PL – (periodic verification reports).

I have now revised the submitted verification report together with the chemical testing result and photographic evidence. I consider that the information submitted satisfies the terms imposed by the condition. Accordingly, I recommend that condition 9 be discharged.

If you have any queries, please do not hesitate to contact me.

Kind Regards

Chima Umunnakwe
