Hi Kathryn,

Happy to accept the EOT.

Other than the WSCC Highways, are we waiting on any other consultees? It would be good to get any initial feedback to, in case any amendments need to be addressed.

Many thanks

Dear Katie,

Unfortunately, I'm still awaiting comments from WSCC in respect of the above application. Just to let you know, I have chased their case officer as well as their general communication line but they have generally been slow at responding across all application types recently.

As a result of this would it be possible to agree a further extension of time? I would suggest that another 3 weeks would be appropriate, could we agree a new date of the 25 November?

Many thanks,

Dear Kathryn,

We are happy to accept an EOT, but assume you mean the 4<sup>th</sup> Nov?

If you could let me know the outcome of the application before making the decision that would be much appreciated, please.

Many thanks
