Hi Anita,

The plant and equipment specifications were made in line with the acoustic report and checked by the acoustician for compliance.

The extension of time is fine but please let me know as soon as you can if you need anything further so I can action accordingly.

Kind regards,

Millie

Hi Millie,

Please see environmental health's comments. Can you provide the confirmation requested and agree to a further extension of time until 15-11-2017 to facilitate receipt and re-consultation?

Regards

Anita

Dear Anita,

Thank you for the schedule of all fixed plant, machinery and equipment associated with air moving equipment (including fans, ducting, and external openings), compressors, generators or plant or equipment of a like kind. Please could the applicant confirm whether all the kit listed is consistent with the acoustic report, in order that we might make the assessment in line with condition 10?

Many thanks

Fiona
