Hi Millie,

Condition 15 was discharged on 03-11-2017. I attach a copy.

The other condition remains outstanding. I have chased environmental health for a response relating to condition 10, but the officer dealing with it has been unwell. I therefore request a further extension of time until 30-11-2017 to allow time for her response

Regards

Anita Gardner

Hi Anita,

I recall the extension of time was until yesterday – could you give me an update on the two outstanding conditions?

Many thanks

Millie

Hi Anita,

The lighting was designed to E3 – medium district brightness (for suburban locations) as per the attached drawing issued within the planning documents.

Please can you advise if this is acceptable?

Kind regards,

Millie

Dear Anita,

Please could the applicant confirm whether or not the proposed lighting confirms with the ILP Guidance for Zone E2?

Thanks

Fiona
