Kevin,

See email below.

I guess you would have commented on the original application, but not set any conditions.

Can you confirm you are happy to leave the review process to ADC for this app, or would you like to also review?

Regards,

Kevin

Hi Kevin,

I have been reviewing the DOC application for LU/17/19/DOC, I am now happy with the details submitted regarding the surface water drainage scheme and have recommended that condition 10 is discharged.

When the EA were consulted they stated that the LLFA should be consulted. Therefore, the planners would like a response from you. Can you please confirm if you are happy to leave the review process to us for this app, or would you like to also review?

Kind Regards,

Laura Gibbons, MEng, GMICE
