Thank you for your email of 17 January 2017 notifying Highways England of the amendments to this application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case the A27.

The amendments do not alter our previous response of 25 June 2015 offering no objection.

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
