Hello Claire

Further to my email last week please find attached an amended Development Framework Document that incorporates the amended parameter plans.

In addition we have realised that two of the drawings sent over do not open properly (in the pdf'ing process the colour layers seem to be turned off) therefore please find re-attached the character areas and play and fitness routes parameter plans.

Do you have any comments on the DoV amends circulated two weeks ago?

Kind Regards
Laura

The changes made are as follows:

- Mr Cellini's legal right of access is now allowed for.
- A care home has been reinstated.
- Indicative bus stop locations are shown on vehicular access plan.
- Land use parcels have been divided and colour coded to enable easy reference in the DoV.

I hope the attached will allow the town council's objection to be removed and a decision to be made under delegated powers. I also await both your comments and those of the town council on the DoV amends that are sought.

Kind Regards
Laura
