Morning Kelly,

I would like to say we could meet the deadline today, however, we still need to take a view on this objection in principle. With Nicola on an extended leave and having difficulty to get to speak with her manager, Juan and I will need to look at both sides of the argument and come to a way forward.

I would like to invite a further EOT 15th March but shall push for an earlier result if at all possible.

Thank you for your email,

I am in the process of contacting highways to ask them to substantiate the details of the last sentence of their response.

The officers are aware that the 8th March deadline may not be achievable.

Kind regards
