Dear Z Denton, and A Wood.

Many thanks for your quick reply. Yes it does seem the online 'Leave Comment' part is not working properly. Please find my objection below, if you could scan it on that would be great.

Objection to LU/182/20/HH planning application.
Site - 11 Genoa Close, Littlehampton.

I object to this extension, due to a substantial loss of daylight/ sunlight to my house, lounge in particular, garden and conservatory.

In this area of Genoa Close / Rydal Close / Derwent Close there are a number of houses very close together, and the extension would affect light levels to another 3 or 4 properties.

Two big windows in the extended bedrooms are close to, and would be overlooking gardens/ houses in Derwent Close, only a few metres away.

I feel this property in Genoa Close is not taking into account the properties in Derwent Close and Rydal Close, which would be very much affected by the extension.

Name- Mr N Hemsley
Address- 11 Rydal Close, Littlehampton, BN17 6ST

Many thanks for your help. Please confirm email received okay.

Yours Sincerely, Nick Hemsley

Dear Mr Hemsley,

Thank you for your email.

Please note this application has been re-allocated to Andrew Wood. I have copied him into this email for information.

It would not appear the representation was received through the online system, which is strange.

If you reply to this email with your comments, I am happy to organise for your email to be scanned against the application as an objection.

Kind regards,

Z Denton

Hello

I left a comment on the online system on Saturday 8th August for building application LU/182/20/HH. But I have not received an email confirming this and it has not appeared on the portal.

Could you please confirm if the objection has been received? Ref OWPC28894.

Many thanks for your help. If I have no way of confirming I shall put through another objection.

Regards, Nick Hemsley
