Hi

I put an objection in for the above planning application a few days ago but it has not registered on the system. A neighbour apparently has had the same problem. Please can you add it to the system. The details are:

Application ref: LU/182/20/HH

Name: Toby Lewis

Address: 10 Rydal Close, Littlehampton, West Sussex, BN17 6ST

[REDACTED]

Objection

I object to the application for the imposing first floor and two storey rear extension at 11 Genoa Close as the property shares my boundary to the rear. Building of the extension will block all light to the rear of the property, including the garden and into the lounge area. There is already limited daylight and what little light there is in late afternoon/early evening will be completely negated. I also object to the view from the rear left of my property being one continuous brick wall.

Regards

Toby Lewis
