Michael

Application LU/183/20/DOC condition 36 relates to appearance of acoustic fence detail only which has been addressed by Environmental Health.

The landscape detail for this scheme was approved under my consultation LU/152/RES 29/06/2020 where I recommended approval of landscape details.

I trust that this is the information you require and would have no objection to the details I see within LU/183/20/DOC.

Regards

Sue
