This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit can be arranged on request.

I refer to your consultation in respect of the above planning application and would provide the following comments.

The proposal and its particulars are described above. There would be no concerns with the positioning of these two pavement lights; an area office licence will be required nonetheless.

INFORMATIVE

The applicant is advised to contact the Area Engineer, West Sussex County Council, Drayton Lane, Drayton, Chichester, PO20 6BW, (Tel no: 01243 836900) to obtain formal approval from the highway authority to carry out the site access works on the public highway.
