29.06.2017

Dear Sir,

Re: Application No. LU/189/17/PDH
Extension - 34 Bell Davies Road, Littlehampton

Thank you for your letter dated 13th June 2017 concerning the above application.

I am the owner/occupier of the adjoining property and, having viewed the plans for the proposal, I would like to make the following objections and comments:-

1. The proposed extension will, by virtue of its size, be totally out of keeping with the appearance of the nearby properties.
2. The proposed extension will be visually intrusive and detrimental to the amenity of my house, patio and garden.
3. It will deprive my small kitchen of light.
4. It will mean that the future maintenance of the fence between my property and next door, which is the responsibility of the owner of No 34, will have to be carried out from my property.

It would be helpful if an official from the Planning Department could visit my property, when the points raised above would be obvious.

Thank you for giving me the opportunity to comment.

Yours faithfully

To:
Assistant Director,
Planning & Economic Regeneration.

(MRS. S. BROWN)
