Hi Daun,

Yes it's all a bit new but I'm settling into a new routine. Hope you are well?

I've not forgotten this application. The evidence is reliant on a sworn statement to be completed by Philippa Dart, which was delayed and I am struggling to get an update on. I doubt there is an easy means of having the statement signed and witnessed at a solicitors office at the moment but I'd prefer to keep the application open for the time being if possible? I will continue to push for at least an update from Philippa's team.

Take care, Sam

Hi Sam,

Hope all is well with you and you are staying not too busy!!

Having said that, do you know what is going on with the above planning application you put in?

It looks as though it is still not a valid application because we are waiting on any evidence that you may have to support this application, showing the use has been in place for more than 10 years.

Julie Grieves had this on hold with her but since she has changed job within planning, I have picked up the application.

Do you still wish to proceed with the application or would you want to withdraw it for a later date (when things settle down)?

If you have any questions, please let me know.

Thanks,
Daun
