Subject: LU/193/25/PL additional ecology comments

Court Wick Park Courtwick Lane Littlehampton BN17 7PD.

I have reviewed the Ecology letter by Lizard Ecology dated 24/11/25 and the updated Arboricultural Impact Assessment & Method Statement.

Recommendation: No objection subject to conditions.

The ecology letter states the ponds were dry when surveyed I confirm that no further surveys for GCN are required.

The updated Arboricultural Impact Assessment & Method Statement confirms that a licenced ecologist will be present when works to the trees T14, T15 and T29 to ensure protection of potential roost features.

I have no further comments at this time.
