Gareth,

The case officer has prepared a report on this matter and I am looking to make a decision

Your application seeks to vary the original condition to:-

"The planning permission hereby granted is for a period from the date of this decision until the date occurring 40 years after the date of commencement of the generation of electricity. Written notification of the date of commencement shall be given to the Local Planning Authority no later than 14 days after the event."

The report has been prepared and I would like to amend the condition on the new permission to state to state:-

"The planning permission hereby granted is for a period from 40 years after the date of commencement of the generation of electricity (insert date of first commencement)."

Are you able to agree the amended wording? If so please can you supply the date of commencement of the generation of electricity?
