

Biodiversity Enhancement Statement

111 Oakcroft Gardens, BN17 6LU

This Biodiversity statement is to support the Householder Planning Application at 111 Oakcroft Gardens. The scheme seeks to further enhance the biodiversity of the site and the surrounding area where possible by implementing the following provisions:

Biodiversity enhancement actions:

- Bird box to be installed to both East and West Elevations
- Bee Brick to be installed to both North Elevations
- Create a compost heap to compost waste and improve soils
