EoT to 31 March.

Revised drawings received and have been readvertised where the NDBD is after the current EoT.

Thanks

David

Hi Robert

This would be unlikely but if you can agree to an extension of time through to 31 March this should allow time to consider any further responses and allow the report to be prepared and signed off.

I look forward to your confirmation of the EoT.

David

Hi David,

I see that you have reconsulted on the amended plans so thank you for turning that around so quickly. However I note that the timeframe for comments does not end until the 16th March, which is a little longer then I envisaged. Would it be possible to work towards determination a day or so after the consultation ends, subject to the comments you receive?

Robert
