Stephen,

We are satisfied of your intension to support our recommendation to replace both windows to limited opening with obscure glass.

I anticipate working towards a decision date of the 20th November. If you could agree to an extension of time until this date would be helpful.

Kind regards

Stuart

it appears my clients replied some time ago to me but i had no record of their email.

i can respond as follows to your queries:

The current HMO License that was issued on the 18.06.2018 stipulates the following:

Maximum 15 Persons - Maximum 15 Households

Room 1 - 2 Persons

Room 2 - 1 Person

Room 3 - 1 Person

Room 4 - 2 Persons

Room 5 - 3 Persons (En suite)

Room 6 - 1 Person

Room 7 - 2 Persons

Room 8 - 2 Persons (En Suite)

Room 9 - 1 Person (En Suite) Currently occupied by caretaker

with regard to the two openings they are happy to replace both windows to limited opening with obscure glass and wish to proceed asap on this matter.

How do you wish to condition them?

Kind regards

Steve,

Thank you for your email confirmation.

To aid my assessment could we confirm the occupation rate for each of the 8 units?

In regard to the two side windows one appears to be obscure glazed (with a makeshift – wooden slatted balustrade) and the rear one has been fitted clear glass – both freely opening. We are concerned with the safety of occupants whilst there is also a concern to the impact on overlooking to the residences at no.93. Ensuring these windows are of limited opening (for ventilation only) and both obscure glazed would be preferred.

I look forward to your comments.

Good Morning Steve,

I am in the process of looking at the above application which has a decision date 10th September.

Would you be aggregable to an EOT until 12th October 2018 to allow us to understand the impact of side windows onto the neighbouring amenity.

Kind regards
