Project details

Project name	LAND AT TODDINGTON LANE (AP6), LITTLEHAMPTON, WEST SUSSEX
Short description of the project	An archaeological excavation was conducted at Land at Toddington Lane, Littlehampton, West Sussex NGR 503159 104026, between the June and August 2018. Four Early Neolithic pits were encountered. A Middle Bronze Age inhumation and cremation and associated features were revealed along with a Late Bronze Age to earliest Iron Age structure with structured deposits and nearby ditches. Iron Age field system and trackways were excavated which might have been used into the Roman period as were additional Early Roman boundaries and quarry pits.
