Side Elevation

This architectural drawing shows a building facade with a gabled roof. The roof is covered in horizontal lines. The facade is divided into two main sections by a horizontal line. The upper section features a large, multi-paned window on the left and a smaller, single-paned window on the right. The lower section features a large, multi-paned window on the left and a smaller, single-paned window on the right. The drawing is a line drawing with no shading.
