E-mail 1of2

Dear Roger,

Please find attached a non-technical summary of the proposed surface water drainage for the Phase 5 and Central Spine Road reserved matters application at Hampton Park, under Arun DC planning reference **LU/206/21/RES**.

We have also included a section on the central wetland area in the report and the associated work in progress drawings in Appendix E of the NTS.

I tried to make it as short as possible but the drainage area covered is very large so it's not quite a one-pager. I believe it's all relevant to build the picture and to show how with accords with the outline approved scheme from 2011.

Happy to discuss

Kind regards,
