TC22029_A088461-2 LA.PH5.1-PH5.8 and LA101-LA109 [E].dwg 14th March 2022

The LEAP is positioned towards the south-eastern edge of the site with overlooking properties. The LEAP would include a combination of metal and timber play features, with swinging, climbing, jumping and turning experiences. These elements would provide a minimum number of seven play experiences. Surface finish materials would be rubber mulch safety surfacing.
