Dear Ms Sharp,

RE: Phase 5 Hampton Park Toddington Lane Littlehampton BN17 7PL

Thank you for your correspondence of the 24th May 2022, advising me of a planning application for approval of reserved matters following outline consent LU/47/11/ for the development of 261 No. dwellings, the formation of green swale (SuDs feature) and the construction of part of the Central Spine Road running through Phase 5 at Hampton Park and southwards to link up with Toddington Lane. This site is in CIL zone SP2 and is not CIL Liable as strategic site at the above location, for which you seek advice from a crime prevention viewpoint.

The National Planning Policy Framework demonstrates the government's aim to achieve healthy, inclusive and safe places which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion – for example through the use of attractive, well-designed, clear and legible pedestrian and cycle routes, and high-quality public space, which encourage the active and continual use of public areas.

With the level of crime and anti-social behaviour in the Arun District being average when compared with the rest of Sussex, I have no major concerns with the proposals, however, additional measures to mitigate against any identified local crime trends and site specific requirements should always be considered.

I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments.

This latest planning application relates to revised plans which I have reviewed in detail and have no further comments to make from a crime prevention perspective.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely
