Good Afternoon Kathryn,

Thank you for your recent telephone call and advising us further with this application.

The clients would like to proceed with the revised application description of:
"Retrospective application for the erection of a link extension between garage and dwelling, and the conversion of garage to annex accommodation and storage areas."

The clients also accept the decision date extension of one month.

If any further information is required, please do not hesitate to contact us.

Kind Regards

Jessica

Dear Mr Roberts,

Further to our telephone conversation at the end of last week regarding withdrawal of the application, I am writing to update you on the application.

I have since spoken to Tracey Headley-Smith [REDACTED] and she has requested that an amendment to the description is made rather than starting the application over again.

I'm sure this would suit the applicant more than the applications withdrawal and I would therefore ask you to confirm that a description of "Retrospective application for the erection of a link extension between garage and dwelling, and the conversion of garage to annex accommodation and storage areas."

I would be grateful if you could confirm that the above application description is acceptable to you. Please note I would be required to re-consult the amended application and therefore the decision date will need to be extended by up to 1 month.

Kind regards,

Kathryn Welch
