Hi Ross,

No worries not a problem.

I am delighted to confirm the materials to be used will be of a similar appearance to the existing property and we would be agreeable to an EOT until 6th April.

Regards.

Wayne

Dear Wayne,

Apologies, but I have been delayed on the above application.

I have written this application up for approval as permitted development in all but one aspect. You have however not advised as to materials (unless I missed this). As you know, in order to be permitted development, the materials

used in any exterior work (other than the materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

Please confirm that the above is the case. I would also like to ask for an EOT until the end of next week in order to cover getting the matter signed off.

Many thanks,

Ross
