Anita

Thank you for the email.

Katie will be away from the office for an unknown period of time, so moving forward please come directly to me. In the interest of fairness in these uncertain times, I am happy to grant an EoT to **Thursday 9 April 2020**.

I am aware that Katie is waiting on a response from you in relation to car charging (see attached email). We previously agreed (19/2), that you would seek confirmation from your colleagues prior to us resubmitting (to ensure an expedient decision), however are still waiting for you (Arun) to confirm your position on the 'driveways and garages' as per the SPD. Please would you kindly come back to us on this point.

Many thanks,

Chris
