Save the environment - think before you print.

Dear Anita

I have already granted you an EoT for this matter and am minded to grant you a further EoT as per your email you below to Friday 17 April 2020. Whilst I sympathise their position, everyone is in the same situation and we simply cannot let this be an excuse to delay/ prevent development. If the EA come back with further comments, we will not be in a position to grant any additional extensions as this matter has been with the Council for a considerable amount of time and well over the suggested guidelines within the NPPG.

I look forward to the timely discharge of this condition.

Kind regards

Chris

Dear Chris,

Please see the response below from Environment Agency below. Please can you agree to a further EOT to cover Easter until 17-04-2020 to allow for receipt of EAs comments and processing. Once their comments are received it is my intention to progress discharge of the DOC as soon as possible, but there may not be anyone available to sign off the day it is passed through. If there are issues when I receive the response from EA I will come back to you.

Thank you for your patience.

Regards

Anita Gardner

Dear Anita,

Our groundwater specialist is currently looking at this application so we hope to have a response to you as soon as possible and we will try and get this to you by Thursday but due to the current situation our deadlines are being pushed.

I will keep in contact with you if we are unable to meet tomorrow's deadline.

Kind regards,

Phoebe Nelson
