Morning Anita,

I've taken a look at the Construction Management Plan/Delivery Statement. It is very vague. It would be ideal to see a plan showing which route construction traffic will take to and from the site, along with a site plan to show site set up. These two items normally accompany a CMP.

Kind Regards,
Emma

Hi Emma,

There is no change in the application so I assume your comments will be the same.. The agent has gone to appeal against non-determination of the original. We could not reach agreement regarding pre- commencement conditions. One would be the submission of a Construction Management Plan. Are you happy with the details submitted in this respect?

Regards
Anita

Afternoon Anita,

We have been consulted on the above application. On inspection of the site plan there are no changes that would affect our comments previously made under application LU/133/19. Is there anything in particular you want us to look at under this new application?

Kind Regards,
Emma
