Comment from Greenspace

Drawings submitted under application LU/211/17/DOC Dwg 1120/01 March 2017 provide a well thought out scheme which is suitable for location with good detail of species choice in plan form being proposed, however these drawings need to detail actual numbers being proposed for each species in these locations rather than just stating a block mix of dwarf shrub and screen mix. We would **request that this information is submitted for approval** therefore we would **not recommend the discharge of Condition 4 landscaping** on application LU/211/17/DOC imposed under U/24/17/PL until this additional information is submitted and approved.
