Hi Anita,

Please find attached an updated landscape plan, rev B, for Courtwick Cottages -- the plan now shows the actual numbers of plans rather than just percentages.

Thank you,

Clare

Hi Clare,

I am conscious that the current extension of time on the above application expires on 08-09-2017 so I would appreciate your agreement to an extension of time until 09-10-2017 without this the landscaping and drainage conditions will be refused on the basis of the submitted information

Dear Clare,

The Council's Landscape officer has made has made the following comment today in relation to condition 4

Drawings submitted under application LU/211/17/DOC Dwg 1120/01 March 2017 provide a well thought out scheme which is suitable for location with good detail of species choice in plan form being proposed, however these drawings need to detail actual numbers being proposed for each species in these locations rather than just stating a block mix of dwarf shrub and screen mix. We would request that this information is submitted for approval therefore we would not recommend the discharge of Condition 4 landscaping on application LU/211/17/DOC imposed under LU/24/17/PL until this additional information is submitted and approved.

I would therefore appreciate receipt of additional information to address these concerns. Please advise how long this information will take to be provided? If it is likely to be more than 2 weeks then the condition is likely to be refused.

If additional information is to be provided another extension of time of one month until 09-10-2017 will be required.

Regards

Anita Gardner
