Covid-19 Pandemic Business Continuity Plan

City Planning would like to reassure our clients and co-consultants that they will continue to receive the same level of care and service with minimal disruption throughout the current pandemic. Our office remain open, however we have commenced a general 'working-from-home' policy for staff. We have in place audio and video-conferencing systems – such as Google Meet and Zoom – that allows us to attend and host remote meetings with multiple external participants. For general communication, we recommend to use emails and mobile phones. We would like to take the opportunity to wish everyone the best of health.
