Dear Jo,

I have reviewed the application this afternoon and I believe I can support it. However, I have a request from you. I will need to assess the flats against the nationally described space standards. I wonder if you are able to provide me with a schedule of the internal floor areas in m2 per new flat. This would save me having to measure using our web measuring tool. I hope you can assist.

Kind Regards

Simon, this is indeed a disappointment but I do understand the issues we are all suffering from at the moment so we will accept an extension of time to the 15th October. If the opportunity arises and the application can be dealt with sooner we would appreciate it.

Dear Sir/Madam,

 I have been reallocated this application. I appreciate that it is due for a decision on Thursday but I have my own caseload and I won't be able to meet this deadline. I am writing to request an Extension of Time until 15th October 2021. I may be able to do it sooner but it would be helpful to me if you would agree to this extension in case I cannot.

Kind Regards
