

Application No: LU/214/20/PL

Site Address: Empty Supermarket Premises Avon Road Littlehampton BN17 6AT

Description of Works: Demolition of existing buildings & redevelopment comprising residential units (Class C3) & flexible commercial floorspace (Class A1, A2, A3 and/or D1) together with the provision of car & cycle parking, landscaping & associated works (resubmission following LU/3/19/PL). This application affects the setting of listed buildings & may affect the character & appearance of the East Street, Littlehampton Conservation Area. This application is in CIL Zone 4 (Zero Rated) as 'flats & other development'.

Bats

The lighting scheme for the site will need to take into consideration the presence of bats in the local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

Nesting Birds

Any works to the trees or vegetation clearance on the site should only be undertaken outside of the bird breeding season which takes place between 1st March – 1st October. If works are required within this time an ecologist will need to check the site before any works take place (within 24 hours of any work).

A check will also be required for birds' nests within the building prior to work commencing. If nesting birds are found, works in the area will need to be avoided and the nest protected until after the young have fledged.

Policy ENV DM5

In line with Policy ENV DM5 of the Arun District Local Plan information on Biodiversity Net Gain needs to be provided as part of the planning application prior to determination. Though some biodiversity enhancements have been recommended within the EIA (Nov 2018) further information needs to be required demonstrating what will be included within the scheme and what level of net gain will be created from this.

Kind regards

Liz
