I would like to make the following comments on the application. From the beginning this application and its predecessor has been blighted by the stubborn refusal of the applicant to engage with the local community. That said, this proposal represents a considerable improvement on the last in terms of its impact on the conservation area and nearby listed buildings. It would be great to address outstanding concerns by (i) ensuring by condition that the materials used reflect local character. That should include elements of flint walling, especially on the East Street frontage. (2) the opportunity should be taken in partnership with the County Council to improve the pedestrian environment and bus stand facilities in Anchor Springs.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
