Comments on the planning application for the former Waitrose site

1st September 2020

Dear Members

LU/214/20/PL – Old Waitrose Site

You may remember that there was a planning application (LU/03/19/PL) last year to develop this site with 83 units and 40 parking spaces which was refused by Arun District Council. The owners went to appeal that was also refused by the Planning Inspector. They have now lodged a further application for 50 units and 25 parking spaces.

The Executive Committee of the Society has lodged a comment with ADC and I attach this for your information. Our view is that the proposed development is very disappointing for such an important site, doesn't sit well with the adjacent conservation area and dominates several adjoining listed buildings.

My personal question is why does low-cost housing have to be so ugly? However, unfortunately, that is not a good reason to object to the proposal!

Please would you study the application, note our comments and make a comment yourself on the ADC website. The more comments the better – ADC will not take any notice of petitions or multiple objections.

Yours sincerely

SARAH TYRRELL
