Hi Anita,

Hope you're well.

I just wanted to drop you a quick email to let you know that we are aware of the response issued by the Council's Conservation Officer (dated 7th September) and note the concerns raised.

We are reviewing these in detail and will prepare a response, however we will hold off issuing anything to you until we have the response from WSCC Highways so that we can fully understand the position on the parking. We should then be in a position to provide you with a comprehensive response, including proposed amendments.

Aside from Highways, are you aware of any other statutory responses which are still outstanding?

Kind regards
Susie
