Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/214/20/PL
Site Address: Empty Supermarket Premises Avon Road Littlehampton BN17 6AT
Description of works: Demolition of existing buildings & redevelopment comprising 50 No. residential units (Class C3) & flexible commercial floorspace (Class A1, A2, A3 and/or D1) together with the provision of car & cycle parking, landscaping & associated works (resubmission following LU/3/19/PL). This application affects the setting of listed buildings & may affect the character & appearance of the East Street, Littlehampton Conservation Area. This application is in CIL Zone 4 (Zero Rated) as 'flats & other development'.

Thank you for your internet representation made on 15th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29592

The proposed development is higher in elevation than any and all of the surrounding buildings - this is not a precedent that should be set in this area of town- this mistake can be seen from miles around with the example of the Kingmere. The proposed units do not have a corresponding number of parking spaces, this will impinge upon the existing infrastructure regarding parking spaces. Notwithstanding, with building new resident accommodation anywhere in town - there are not enough places in doctors' surgeries to support more residents. Until this issue is addressed, I see no reason why any new accommodation should even be considered.

This is a chance for government to obtain more council tax, at the expense of the wellbeing of the current population.

Your views as made above will be considered before the application is determined.
