Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/214/20/PL
Site Address: Empty Supermarket Premises Avon Road Littlehampton BN17 6AT
Description of works: Demolition of existing buildings & redevelopment comprising 50 No. residential units (Class C3) & flexible commercial floorspace (Class A1, A2, A3 and/or D1) together with the provision of car & cycle parking, landscaping & associated works (resubmission following LU/3/19/PL). This application affects the setting of listed buildings & may affect the character & appearance of the East Street, Littlehampton Conservation Area. This application is in CIL Zone 4 (Zero Rated) as 'flats & other development'.

Thank you for your internet representation made on 15th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29605

This revised application, following the refusal of LU/03/19/PL and its appeal rejection, shows a lack of understanding of what is required in this important town centre site. The site abuts the East Street Conservation Area where there are several listed buildings but the planned bulky, uninspiring blocks of flats jar with these town assets. Where are the trees and green spaces for the residents to enjoy? Why does low-cost housing have to be so ugly?

The residents of fifty units will probably have at least one car each. Therefore, space for only 25 vehicles will put more pressure on the already short supply of spaces in that part of the town.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
